Address

Waarderweg 50, 2031PB Haarlem - Netherlands.

Course content

A photograph showing three business professionals (two men and one woman) sitting around a round table in a meeting. They are looking at documents and laptops, appearing to be in a collaborative discussion. The setting is a modern office with a white brick wall and acoustic panels.

Why Attend

A strong corporate identity and well-managed brand are among an organization's most valuable strategic assets. They shape stakeholder perceptions, strengthen customer loyalty, support business growth, and create sustainable competitive advantage. This course equips participants with practical knowledge and proven frameworks for developing, communicating, managing, and protecting corporate brands while ensuring alignment with organizational strategy, culture, and long-term business objectives.

Course Methodology

• The course combines instructor-led presentations, interactive workshops, branding exercises, case studies, group discussions, brand assessment activities, practical design sessions, and participant presentations to provide hands-on experience in corporate brand development and management.

Course Objectives

- Understand the strategic role of corporate identity and branding
- Develop a comprehensive brand strategy aligned with organizational objectives
- Build a distinctive and consistent corporate identity
- Engage employees and stakeholders as brand ambassadors
- Develop brand communication guidelines and governance frameworks
- Measure, monitor, and protect brand value over time

Target Audience

- Corporate communication professionals
- Marketing and brand managers
- Public relations professionals
- Business development managers
