Course content

Why Attend

Outstanding leaders inspire people, drive organizational performance, and successfully lead through change and uncertainty. This course equips participants with the practical leadership skills, strategic thinking, emotional intelligence, and coaching techniques required to build high-performing teams, influence stakeholders, foster innovation, and create lasting organizational impact.

Course Methodology

- The course combines interactive presentations, leadership assessments, practical workshops, case studies, group discussions, role plays, coaching exercises, team simulations, and personal action planning to reinforce leadership capabilities.

Course Objectives

- Develop an authentic and effective leadership style
- Strengthen emotional intelligence and interpersonal effectiveness
- Build motivated, engaged, and high-performing teams
- Lead organizational change with confidence and resilience
- Apply strategic thinking to organizational leadership challenges
- Coach and mentor employees to maximize performance

Target Audience

- Executives and senior managers
- Department managers
- Team leaders and supervisors
- Project managers
